

Greetings

Welcome to actunews – the special interest newsletter for your actuarial career. Covering one major topic per issue, the newsletter reports monthly on the latest developments and trends in the fields of work and careers. It includes articles, reports and interviews by and with experts from the actuarial profession. Additionally, you will find the latest job adverts from actupool, video recommendations from actuview as well as other interesting facts and information.

We hope you enjoy our first issue! We welcome your feedback at contact@actupool.com – let us know if you found the newsletter interesting and what we can do better in the future.

COVID-19 – Impact on the work of actuaries

This newsletter focuses on one of the worst pandemics and biggest challenges for both economy and society in recent years. We will have a closer look at the effects that COVID-19 is having on the work of actuaries.

What does the workplace currently look like? What are the long-term consequences of the corona pandemic on the workplace? And how should we best survive the next weeks of lockdown, social distancing and remote working.
